The Shibuya Ikueikai Foundation

Donation of non-woven masks for children to elementary schools in Fukuyama city

On April 24, 2020, at the Fukuyama City Office, 300,000 non-woven masks were donated for children to approximately 26,000 children in 78 elementary schools in Fukuyama City in order to help with health management to prevent the spread of the Coronavirus. At the donation ceremony, the president of the Foundation, Shigehiro Komaru, handed over the catalog and the non-woven fabric mask for children to Naoki Edahiro, the mayor of Fukuyama, and a certificate of appreciation was given to Managing Director Teruko Komaru. Mayor Edahiro thanked for strong support, and in the subsequent discussions, Mr. Masaaki Miyoshi, Superintendent of Education and Mr. Motohiko Sato, Vice Superintendent of Education, exchanged opinions on education.
