The Shibuya Ikueikai Foundation

Donation of fans to the elementary schools in Fukuyama city

On July 14, 2020, at the Fukuyama City Hall, the Foundation will improve the environment for school education, as part of measures against heat stroke in school classrooms, and ventilation of indoor air to prevent the spread of the Coronavirus.

We donated 500 fans to 78 elementary schools in Fukuyama City.

At the donation ceremony, the foundation's president Shigehiro Komaru handed the catalog to Mr. Naoki Edahiro, mayor of Fukuyama, and a certificate of appreciation was given to managing director Teruko Komaru. Mayor Edahiro thanked the Foundation for their positive efforts to improve the environment of school education, and in the subsequent discussions, Masaaki Miyoshi, Superintendent of Education and Motohiko Sato, Vice Superintendent of Education were exchanged their opinions regarding environmental maintenance and education.
