The Shibuya Ikueikai Foundation

Donation of “Tickets for the teamLab Fukuyama Castle Light Festival”

On November 30, 2022, at Fukuyama City Hall, we donated 26,000 tickets for the “teamLab Fukuyama Castle Light Festival” for all elementary school children in Fukuyama City as part of our efforts to help children, who will lead the next generation, learn more about the history of Fukuyama Castle and Fukuyama City with the aim of passing down the attractive aspects of Fukuyama to the next generation and nurture a rich sensibility. The festival was held as the finale of the project celebrating 400th anniversary of Fukuyama Castle.

At the donation ceremony, Mr. Shigehiro Komaru handed over the ticket donation list to Mr. Naoki Eda, Mayor of Fukuyama City. We received a certificate of appreciation from Mayor Naoki Eda, and Mr. Miyoshi Masaaki, Superintendent of Education also expressed his gratitude for our strong support.
